Each day the program will be filled with a wide variety of activities such as hikes, games, crafts, songs, stories, creative dramatics, puppetry, and enrichment in the arts. Additionally, special events will be planned. Teacher, Jen Nestler, will offer her talents and experience in the field of early childhood education and after school programming, along with Erin Hedden. They strive to provide a safe and nurturing atmosphere where your child can learn to appreciate and enjoy what our community offers. A healthy snack, exercise, and study group will be part of the schedule.

Please check the days below that your child will be typically attending each week. The fee is \$14 per day and runs Monday through Friday starting at 2:55 PM with pick-up promptly at 5:00 PM. The program gathers in room #119.
